19th May 2003

Dear Tim

Very many thanks for the provision of the sound equipment for Saturday. It was great. Considering the weather the day went very well and most people that I spoke to thoroughly enjoyed it. The figures are not confirmed yet but they are in the region of just under £7,000 gross.

Would you please let me have a note of your charges.

Best regards.

Yours sincerely

**Susan Crowe**  
**General Fundraiser**
