From: The Personal Consultant to HRH The Prince of Wales

21st March 2002

Mrs Scott from Ashe Park has passed to me your 'Confirmation of Hire' letter dated 8 March for PA sound equipment for the Charity Polo Match at Ashe Park on 27 June.

I am happy to accept your quotation, terms and conditions, as contained in your letter and should be grateful if you would take this letter as our official order.

Perhaps you could confirm that this is now a firm booking and send me your invoice, when I shall be pleased to make the necessary arrangements for a cheque to be sent to you.
