TRL Half Year Review
Madejski Stadium
30 November 1998

Garth Clarke our Chief Executive was extremely pleased at the effort you all put in to make the presentation the success that it was, and was aware that things were not always going to plan throughout the morning but was impressed that everybody worked together to ensure the room was ready on time even if it was measured in minutes.

He wished me to pass on his personal thanks to all concerned

Yours Sincerely

Mr. D E Seager
M&E Services Manager
